

Managerial Economics

PTA POLICY

PTA's will **not be issued for ARE classes**

Please do not make an appointment, email, or drop by to request a PTA from your instructor, advising staff, or peer advisors. Students cannot be added to full classes.

The following do not qualify as exceptions to this policy:

- Classes dropped due to non-payment of fees
- Classes dropped accidentally
- Time conflicts with other classes
- Missing your Pass 1 registration opportunity, even if it occurred at an inconvenient time
- Deciding after Pass 1 that you want to change your schedule
- Completing a Managerial Economics Minor
- Circumventing course restrictions

Recommendations:

- Make sure you have an up-to-date academic study plan before enrolling in your ARE classes during Pass 1.

NOTE: Only Man Econ majors are allowed to enroll in ARE classes during Pass 1. Other majors may enroll during Pass 2.

- Enroll in an alternate course if the class you need/want is full.
- Add yourself to the wait list during Pass 2.
 - The only way to get into a full class is from the wait list.
 - Wait lists are dropped on the 12th day of instruction, and you are not guaranteed a seat.
